Ghost Town Trail

The Ghost Town Trail totals 36 miles in Indiana and Cambria Counties, Pennsylvania. The trail was first established in 1991 when the Kovalchick Salvage Company donated 16 miles of the former Ebensburg & Black Lick Railroad to Indiana County.

In 1993 the Cambria & Indiana Railroad donated an additional 4 miles from Raxis to White Mill Station known as the Raxis Branch. In 2005 an additional 20 miles were added to the trail - 12 miles in Indiana County and 8 miles in Cambria County. The trail is designated as a National Recreation Trail by the U.S. Department of the Interior.

The Hoodlebug Trail is a 10-mile recreation and commuter trail running from Black Lick to Indiana, PA. The Hoodlebug Trail is open year-round for non-motorized activities, including bicycling, hiking and cross-country skiing. It is also part of a large network of trails in western Pennsylvania known as the Trans Allegheny Trails network.

Blairsville Riverfront Trail
