

# Indiana County Parks & Trails Establishes Park Legacy Fund

Many groups and individuals have expressed interest in contributing financially to the county park and trail system.

In cooperation with *The Community Foundation for the Alleghenies* the Park Legacy Fund has been established to accept contributions to improve and enhance our county parks and trails for future generations.

Contributions to the fund can be earmarked to support our parks, trails, historic sites, natural areas, covered bridges and the Festival of Lights.

Donations to the fund are an excellent way to honor someone close to you or to celebrate a special occasion such as the birth of a child, wedding anniversary, graduation or special achievement. Contributions to the fund are also a good way to show your support of one of Pennsylvania's most diverse and progressive park and trail systems.

Donations to the fund are tax-deductible to the extent permitted by law. Donor's contributions are recognized and an appropriate acknowledgement card is sent to the recipient of the donor's choice.

Checks or credit card contributions to the fund may be sent to:

*The Community Foundation for the Alleghenies*
