

# Electric Bicycle Regulations

E-bikes are permitted on the Indiana County portion of the Ghost Town Trail and Hoodlebug Trail under the following regulations:

- the motor is under 750w.
- the e-bike has a maximum speed of 20 mph when powered solely by the motor.
- the bike weighs no more than 100 pounds.
- the bike is equipped with two or three wheels at least 11 inches in diameter.
- the bike must have operable pedals.
- E-bikes must follow the same rules on the trail as a traditional bicycle.
- Equipment that uses internal combustion engines such as ATVs, UTVs, mopeds and scooters are not permitted.
- E-bikes are not permitted on county park hiking trails.
